35-25-0004	SL-6W	Nichols, Paul	Jay Yankey	Construction in progress	Yes	6/26/2026	Practice is still in the same place as last month. Touched base with the landowner and he hasn't had time to finish up the trough installation. Once that is complete he's ready for his final inspection and we can prepare the as-built.
35-24-0017	SL-7	Evergreen Bend Farm/Heaton	Jay Yankey	Construction In Progress	Yes	6/26/2026	Contractor nearly has the project complete. Practice has been carried over. Just have to get the as-built approved by engineering staff and prepare payment.
35-26-0009	SL-6W, SL-7	Albert Davis	Jay Yankey	Contractor Selection/ Construction	Yes	6/26/2026	Mr. Davis has selected a contractor. We have had our preconstruction meeting. Contractor is gathering materials for approval and plans to begin construction the week of July 13th.

	WQ-12	Tiffany Jackson	Jay Yankey	I&E	no	6/26/2026	The Jacksons may be interested in moving forward with this practice. Have had contact with the Jacksons about scheduling a site visit but we have had to reschedule a couple times and now have conflicting vacations scheduled. Should be able to get eyes on the ground in mid July.
	SL-6W	David Wease	Jay Yankey	I&E	no	6/26/2026	No change. Going out to gather I&E info in July to submit to engineering staff and then signing up the practice upon approval.
