

Litter, Trash and Drinking Water

Promote a Green Community in Prince William County

Start with the yards, storm drains, creeks and streams

How is the trash and litter situation in your neighborhood?

Like this?

How is the situation in your storm drains, creeks or streams?

Like this?

OR

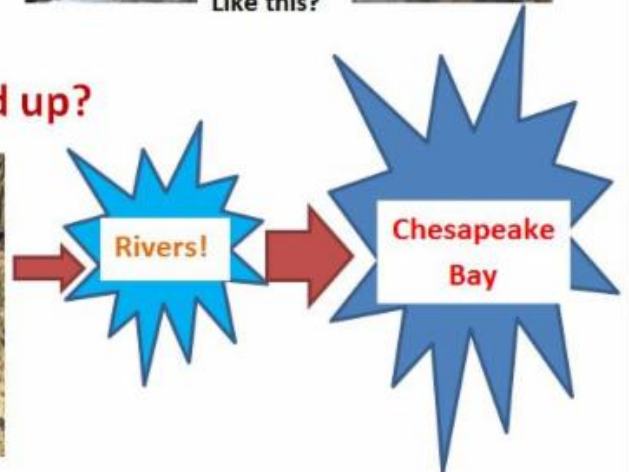

Where does all the trash and litter end up?

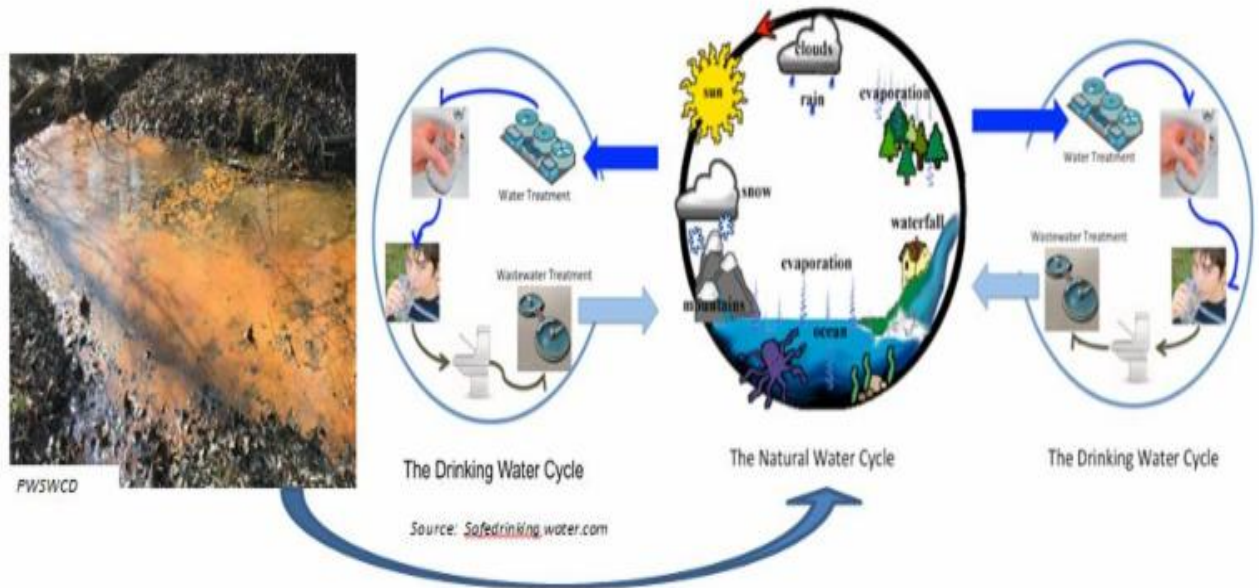

In ponds & streams!

In the flood plains!

Polluted streams as part of the Natural Water Cycle

Adopt-A- Stream Program Notice

Despite the Department of Conservation and Recreation (DCR) budget cuts to support the Adopt-A- Stream program statewide, the Prince William SWCD is continuing the program at the local level. The District will continue to work with other partners to make sure that cleanup volunteers still have all the support they need for their cleanup supplies and trash removal. The District looks forward to having a stronger working relationship with its volunteers in Prince William County and to keep the streams in our community clean. [Contact waterquality@pwsxcd.org](mailto:waterquality@pwsxcd.org)

For being part of the Neabsco and Powells Creek Cleanup Event of 02/25/2017:

- Scout Troops 1363, 1024, 1378 and 43 , DJJ Center Group, GMU students and the volunteers who showed up.
- The organizers and sponsors (PWTSC, WPCA, PWSWCD, PWC Government- Public Works, Environmental Services, Neighborhood Services, PWC Parks and REC, PWC Service Authority, Riverwoods Apartments, Alice Ferguson Foundation and America Rivers) and
- What's Up Woodbridge for the media coverage.

3.03 tons (6800 lbs) of debris was collected (183 litter bags, 46 tire and a lot more

(updated data). Plastic bottles and plastic bags were dominant.

For video coverage on the event and more, please visit:

- <https://www.youtube.com/watch?v=Ef4JLlhFcbU&feature=youtu.be>
- https://www.facebook.com/pg/PrinceWilliamSWCD/posts/?ref=page_internal
- <http://www.pwtsc.org/2017/02/cleanup-results-powells-creek-and-neabsco-creek-feb-25-2017/after-powells/>

Thanks to the Audubon Naturalist water quality monitoring team at Youngs Branch, Jess Cushma;Coordinator at Ben Lomond station, and all the water quality monitoring volunteers.

Volunteers Needed!

(Experienced Kayakers/Canoeists/Jon Boaters)

On Land: Students/Volunteers: Select Lake Ridge Marina (LRM) during registration. Cleanup sites are available on dry ponds. Carpool may be needed from LRM. Free T-shirts are available.

www.pwtsc.org

8th Annual Upper Occoquan River Cleanup

Saturday, **April 22** 2017 9am - 2pm

Check www.pwtsc.org for cancellation, map, and more information

Put-in/Take-out places:

- Izaak Walton League
- Bradley Forest Recreation Area
- Lake Jackson Citizen's Association
- Lake Jackson Dam launch site
- Riverview Estates HOA
- Occoquan Forest HOA
- Cannon Bluff HOA
- Lake Ridge Marina
- LRPA (Hooes Run)

Toilet facilities, trash bags, gloves, water & refreshments provided!

Please pre-register at www.pwtsc.org
Contact e-mail: efdandar@verizon.net
Contact phone: 703-791-6158

Volunteers Needed!

Meaningful Watershed Educational Experience (MWEE)

Spring sessions : April 5, 7, 19 & 20

Training and materials will be provided. For more about the MWEE program [visit](#). For more information on volunteering, please contact Pam Ponovich

Volunteer Needed!

Interested in learning more on E.coli Monitoring?

Volunteer with an ongoing District E.coli project with the Town of Dumfries and the Department of Environmental Quality (DEQ) in the Quantico Creek watershed. No pre-monitoring knowledge is needed.

Training will be given on E.coli analysis.

Contact: [Veronica Tangiri](mailto:Veronica.Tangiri@waterquality@pwsacd.org) at waterquality@pwsacd.org

Some Dates

All year round- Horticulture and Environmental Education-VCE-(See details below)

March 4-Virginia Native Plant Society 2017 Workshop -University of Richmond

**March 4- Stream Cleanup behind Dale City REC off Delaney Road @ 10 a.m*

**March 7- Floatable Monitoring at Dawkins Branch-Bristow @ noon*

March 7- Horse Farm Stewardship Program @ MARE Center (PWSWCD & VCE)

**March 11- Water Quality Monitoring at Cedar Run, Nokesville @ 10 a.m*

**March 14, Water Quality Monitoring at Powells Creek @ 10 a.m*

**March 18 - Water Quality Monitoring at Airport Creek- Woodbridge @10 a.m*

March 20- PW Wildflower Society meeting - Watershed Management in Fairfax County @ 7.30pm.

March 21- Floatable Monitoring at Andrew Leitch Park @10.30am

March 25- Youth Ambassadors Conference -PWC Public Works Department

March 27 -May 8; Drinking Water clinic (PW Virginia Cooperative Extension)

April 1- National Parks Day (PWC Public Works Department)

April 1- Steps for a Greener Lawn -PW Virginia Cooperative Extension (VCE)

**April 4- Horse Farm Stewardship program @MARE Center (PWSWCD & VCE)*

**April 5 & 7- 1st District Meaningful Watershed Educational Experience (MWEE)*

**April 8- Water Quality Monitoring at Prince William Forest Park @ 10 a.m*

April 8- 29th Annual Potomac River Watershed Cleanup (Alice Ferguson Foundation)

April 15 -Bluebell Festival at Merrimac Farm

**April 19 & 20: 2nd District Meaningful Watershed Educational Experience (MWEE)*

**April 21 -Prince William Earth Day Festival on the Plaza (Between McCoart and DSB) 11 am -2pm*

**April 22 - Big Upper Occoquan River Cleanup from nine river sites and inland ponds -9am -2pm*

April 29 - PWC Annual Compost Awareness Day Event- PWC Ball Ford Road Facility.

May 1- Horse Farm Stewardship program. Programs every Monday for 6 weeks (PWSWCD & VCE)

**May 13- Water Quality Monitoring at Broad Run/Dawkins Branch @ 10 am*

May 13- Workday - Lake Ridge Trail

May 13-Prince William Wildflower Society Plant Sales

May 15- Medicines from the Soil: The Fight Against Antibiotic (Presentation by PWWS)

May 19- Bike to Work Day

May 20-

Rain Barrels pickup at Dumfries Town Hall (Place your barrel orders with the District)

May 20-Prince William County Community EXPO at Pfitzner Stadium Complex @11 a.m

***May 27- Northern Virginia Cooperative Water Quality Monitoring Certification and Training**

June 3- National Trails Day

June 5-11: Chesapeake Bay Awareness Week

June 19-24 - Holiday Lake Forest Camp (click)

July 9-15 Youth Conservation Camp (click)

July 31- Tour of Prince William bike event

September 30- Public Lands Day

September-October: Clean Virginia Waterways- (Longwood University Campaign)

October 10,11 & 12 - Farm Field Days

November 4- Veteran's Park/ Marumsco Creek Cleanup

December 2/9 -Jingle Bell Run

Need help with erosion and run-off control on your private property?

Contact the District for VCAP Assistance

Call 571-379-7514 or visit: <http://vaswcd/vcap>

How can you help Prince William County Waterways to be trash free?

To check cleanup programs in your neighborhood please, click [here](#).

Prince William Soil and Water Conservation District is working together with other organizations to reduce the amount of trash in waterways.. The District will help provide cleanup supplies to residents who would like to make an impact within the District at no cost. Participating groups will receive an Adopt-A-Stream sign in recognition of their

stewardship. For more information write to waterquality@pwsacd.org.

Water Quality Programs

Stream Cleanup Programs

Month of April!

keep the Potomac Watershed clean from any location of your choice.

Contact the District for support and supplies or register with

[Alice Ferguson Foundation](#)

The District promotes 4 options for cleaning streams/creeks:

1. **Adopt-A-Stream / Adopt-A- Creek Program** - clean at least once a year for a two year commitment (Any time)
2. **Potomac River Watershed Cleanup** (Alice Ferguson Foundation)- one-time cleanup
3. **International Coastal Cleanup** (Clean VA Waterways) -one-time cleanup (September- October)
4. **Earth Team Volunteer Cleanup** - one time cleanup(Any time)

Are you ready for a stream/creek cleanup this Spring?

Free supplies are available with the District

For some cleanup sites in your neighborhood, click [here](#)

On how to get started with any of the stream cleanup programs or have any questions about which of the 4 options is best for you, please contact: waterquality@pwsacd.org.

Water Quality Monitoring

Some Answers to your Questions

How often can a site be monitored?

Not more than 4 times in a year (quarterly).

What does it take to become certified?

1. Be able to [identify the critters](#).
2. Be able to properly [demonstrate the field protocol](#) in data collection.

Both 1 and 2 are easy and open book!

Must I be a certified stream monitor?

No, you can help the existing monitoring teams, too! But DEQ only accepts data that comes

from certified stream monitors.

What is recommended before taking the certification test?

Take part in at least 2-3 stream monitoring events before sitting for the certification test.

Floatable Monitoring Program

Assess and trace trash that load into streams to reduce non-point source pollutant from urbanized and industrialized areas. This program is related to the County's Municipal Separate Storm Sewers (MS4) permit. It is recommended for volunteers to dress in boots.

The District provides the cleanup supplies (grabbers, gloves, vests and trash bags).
RSVP is recommended. Contact: waterquality@pwsacd.org

WHATS COMING UP UNDER THE DISTRICT

March 4: Stream Cleanup - Behind Dale City Recreation Center -off Delaney Road -10 a.m

March 7- Floatable Monitoring at Dawkin's Branch in Bristow @ noon

March 7- Horse Farm Stewardship Program @ MARE Center (PWSWCD & VCE)

March 11- Water Quality Monitoring at Cedar Run, Nokesville @ 10 a.m

March 14- Water Quality Monitoring at Powells Creek @ 10 a.m

March 18 - Water Quality Monitoring at Airport Creek- Woodbridge @10 a.m

March 21- Floatable Monitoring at Andrew Leitch Park - Dale City at 10.30am

March 25: Youth Ambassadors Conference -"Sustainable Practices for Managing Trash"

March 27 -May 8: Drinking Water Clinic (Sample drop off and results interpretation meeting)

call 703-792-7747 or visit www.wellwater.bse.vt.edu/clinic for more.

April 1- Steps for a Greener Lawn -PW Virginia Cooperative Extension (VCE)

April 4- Horse Farm Stewardship program @MARE Center (PWSWCD & VCE)

April 5 & 7- 1st District Meaningful Watershed Educational Experience (MWEE)

April 8- Water Quality Monitoring at Prince William Forest Park @ 10 a.m

April 19 & 20: 2nd District Meaningful Watershed Educational Experience (MWEE)

April 21 -Prince William Earth Day Festival on the Plaza (Between McCoart and DSB) 11am -2pm

April 22 - Big Upper Occoquan River Cleanup from nine river sites and inland ponds -9am -2pm

April 29 - PWC Annual Compost Awareness Day Event- Balls Ford Road facility.

Water Quality Monitoring Events

Saturday, March 4

Stream Cleanup: Behind Dale City Recreation Center off Dalaney Road

Time: 10 am

Location: Volunteers will meet at Logan Park Dale City

For more information contact Kipp Hanley at jkhanley73@yahoo.com or call 703) 335-8914

Saturday, March 7

Floatable Monitoring at Dawkin's Branch

Time: Noon

Parking Location: Victory Elementary School :12001 Tygart Lake Bristow, VA 20136

RSVP to Veronica Tangiri: waterquality@pwsacd.org.

Saturday, March 11

Water Quality Monitoring : Cedar Run- Broad Run Watershed

Time: 10am - 12.30pm

Location: Evergreen Acres 12801 Hazelwood Dr. Nokesville, VA 20181

Access this beautiful 3/4 miles long of the Cedar Run in the Evergreen Acres Farm for citizen science stream monitoring in the Nokesville area. Come and learn more about the health of this stream and how it interacts with agriculture.

Email Veronica Tangiri at waterquality@pwsacd.org

Tuesday, March 14

Water Quality Monitoring - Powells Creek, Woodbridge

Time: 10 a.m.

Parking location: Along 15601 Northgate Dr. Montclair, VA 22025

Join Master Naturalists Buck Arvin in monitoring his newly adopted site along the Powells Creek in the Montclair area. Residents are welcome to come support the data collection of this stream and learn more about the water quality in their area.

For directions RSVP to [Buck Arvin](mailto:buckarvin@comcast.net) at buckarvin@comcast.net

Saturday, March 18

Water Quality Monitoring : Airport Creek- Lake Ridge, Occoquan

Time:

10a.m - 12.30pm

Location: 12102 Springwoods Dr. Woodbridge Virginia 22192

Parking: Parking is along Springwoods Dr., close to the trail entrance before Trioka Ct.

Join Janis Cook at this beautiful monitoring station along the Airport Creek near Lake Occoquan.

For more information and RSVP, contact [Janis Cook: Jcook3910@aol.com](mailto:Jcook3910@aol.com)

Tuesday, March 21

Floatable Monitoring at Andrew Leitch Park in Dale City

Time: 10. 30 am

RSVP to Veronica Tangiri at waterquality@pwsacd.org.

Saturday, April 8

Stream Monitoring: Prince William Forest Park/ Quantico Creek

Time:

10 a.m - 12.30pm

Location: 18100 Park Headquarters Road, Triangle, VA 22172

Parking: Parking Lot A on Scenic Drive. *(From Main Park Entrance, turn left onto Scenic Drive and go all the way until you cross the Scenic Bridge).*

Prince William Forest Park protects a large portion of the Quantico Creek; a watershed which scientists use as the water quality benchmark in Prince William County. Prince William

residents are invited to come learn about the varieties of benthic macro invertebrates that determine the water quality of a stream. Join Larry Heath at this adopted outdoors science lab to learn more about water quality for more awareness in Prince William County. RVSP to Larry at lkhdoc@gmail.com

All of April

Potomac River Watershed Cleanup

Time: Various

Location: Various

Join thousands of volunteers at hundreds of cleanup sites and remove litter from the Potomac River and its many small tributary streams that flow into it. The cleanup's main day is Saturday, April 8th, but events will be held throughout the month, and some even in late March. Contact the District for any one time cleanup for your supply to promote sustainability

Saturday April 29

PWC Annual Compost Awareness Day Event.

Theme: Compost! Healthy Soil-Healthy Food

Location: Balls Ford Road Compost Facility, 13000 Balls Ford Road, Manassas, VA 20109.

Join the Prince William County Solid Waste Division for an other annual Compost Awareness Day. Featuring demos from PWC Master Gardeners.

Visit: www.pwcgov.org/trashandrecycling for event schedule and more details.

-DEQ's 2016 Citizen/Non-Agency Monitoring Activity Report

Each year, the Virginia Department of Environmental Quality (DEQ) develops a report summarizing the contributions of monitoring organizations to the agency's water monitoring program. The 2016 report is available on the agency's [Follow-Up Monitoring](#) website.

- Incorporating Citizen Science Into EPA's National Environmental Work

One of the challenges of running a citizen science program like stream monitoring is that one can never be entirely sure what the program's impact will be. To that end, an EPA advisory body recently submitted a report to agency leadership recommending that the EPA proactively and fully integrate citizen science into its work, embrace it as a core tenet of environmental protection, and use citizen science data directly. The full report can be [found online](#). Please direct comments to Green.Eugene@epa.gov and citizenscience@epa.gov.

Watershed Education, Events and Opportunities

Do you know that Virginia Naturally is your gateway to statewide environmental education? Visit: [Virginia Department of Conservation and Recreation](#).

Virginia Governor's Executive Order on "Establishing the Virginia Environmental Literacy Challenge." For more information Click [here](#) or [visit](#) .

Conservation Photo Contest

What does conservation look like to you? That is the theme of this year's Virginia Association of Soil and Water Conservation District's photo contest. [Send in a picture](#) that expresses your view of conservation - whether urban or rural. Winners will be announced at the Association's annual meeting.

District Conservation Capsule To-Go season.

Our capsules are ready to go, so reserve early, as they are first come, first served. You may reserve capsules now for anytime during the school year. For your reservations, please visit: <http://www.pswcd.org/educators.html> or contact: education@pswcd.org

Horse Farm Stewardship Program

March 7- Kick-off date (Registration is ongoing!)

Location: [MARE Center](#)

This training is sponsored by the Department of Conservation and Recreation (DCR). This extensive training will help horse farmers to learn more about managing their horses with the application of some sustainable techniques that are environmentally friendly. Farmers who complete the training will receive awards/recognition from DCR. For more information please contact **Mike Miller** at conservation@pswcd.org or call 571 379 7514.

To register please visit: <http://arec.vaes.vt.edu/arec/middleburg/Events/dcr.html>

Rain Barrels for Prince William Residents- Order before May 20th

Barrel pick up date- : May 20th

Pick up address: *Dumfries Town Hall, 17755 Main Street , Dumfries VA.*

The District is currently taking orders for rain barrels. \$75.00 each or \$140.00 for two with limited quantity available.

Rain barrels help to save water cost during the summer months for lawns and gardens watering. The collected rainwater also helps to reduce the volume of rainwater from impervious surfaces which contribute to non-point source pollution within the Chesapeake Bay Watershed.

The barrels are made in the USA with 90% recycled material.

To reserve your barrel, contact **Alice Markiewicz** at education@pswcd.org or send a check payable to **PWSWCD** (Address the check to: 8850 Rixlew Lane Manassas VA 20109).

Awards and Scholarships

2017 Virginia Soil and Water Conservation Natural Resources Scholarship

Applications of being accepted. Deadline March 6.

\$1,000 college scholarship for high school seniors interested in pursuing resource conservation studies in college. [For more Click here](#)

Natural Resources Scholarship and Summer Camps:

Applications are being accepted . Deadline May 1

Youth Conservation Camp is a week-long residential camp for high school students on the campus of Virginia Tech. A partial scholarship is available through a competitive application process. For More please click [here](#).

Department of Forestry's Holiday Lake Forestry Camp

Application Deadline- April 7

Forestry Camp is a six-day residential camp for 13-16 year olds at Holiday Lake 4H Center. Form more information please click [here](#).

Apprentice Ecologist Scholarship

Application Deadlines: December 31, Annually

The Apprentice Ecologist Initiative has engaged tens of thousands of young volunteers (kids, teens, and college-age youth) from around the world in environmental cleanup and conservation projects since 1999. Three (3) scholarships will be awarded annually to the authors of the three best Apprentice Ecologist essays. Applicants should embody the spirit of the Apprentice Ecologist Initiative. For more information,

Visit:http://www.wildernessproject.org/volunteer_apprentice_ecologist

Plants and Landscape Events

2017 Horticulture Education with VCE

Sustainable Vegetable Gardening Series

Saturdays, March.18, March 25

Time: 10.30am -1.00pm

Location: Central Community Library-8601 Mathis Avenue Manassas, VA 20110

These classes will cover the essential topics for sustainable vegetable gardening.

Visit www.pwcgov.org/grow for class details.

Free training but Space is limited.

To registered call 703-792-7747 or email master_gardener@pwcgov.org

Ask a Master Gardener Your Gardening Questions

April 8, 15,22 & 29.May 6 & 20

Time: 10.00am -1.00pm

Location: To be announced

call 703-792-7747 or email master_gardener@pwcgov.org

Saturday in the Garden

April 22, May 6, June 17, July 15, August 19, Sep 9 and Oct. 21

call 703-792-7747 or email master_gardener@pwcgov.org

Stormwater and Watershed Management in Fairfax County

Monday, March 20.

Time: 7.30pm

Location: Bethal Lutheran Church, 8712 Plantain Lane, Manassas, VA 20110.

Talk presented by Danielle Wynne, Ecologist with Stormwater Planning Division, Fairfax County.

Come learn more about Fairfax County and its stormwater management.

Talk sponsored by the PW Wildflowers Society.

Sunday, March 26

Bird Walk

Time: 8 am

Location: Merrimac Farm

RSVP to PW Conservation Alliance at alliance@pwconserve.org or call 703-499-4954

Sneak Peak

Tuesday, March 14 - Sunday, March 26

DC Environmental Film Festival

Times: Various

Locations: Various

The longest-running environmental film festival in the world returns for its 25th year. Over 150 films will be screened at venues throughout DC. [Visit the festival website](#) for films, show times and locations.

Saturday, March 18

Kids Trout Fishing Day

Time: 8am - Noon

Location: Snakeden Branch stream, Reston

Snakeden Branch will be well stocked with hundreds of trout and all necessary equipment will be provided to make your day a success. Plus, Trout Unlimited members will help clean the

fish your little one catches. [Please register online](#) - spots are filling fast!

Wednesday, March 22

Virginia Water Monitoring Council Conference: Exploring Emerging Water Issues

Time: 9:30am - 4pm

Location: Henrico County Training Center

Location: Henrico County Training Center

This conference will bring together government, private sector experts, advocates and the public to discuss new issues in water quality. Carl Hershner of the Virginia Institute of Marine Sciences will deliver the keynote on the topic of climate change impacts on Virginia's water resources. \$50/person till March 5th; \$60 thereafter. [Please register online](#) .

12 Steps to a Greener Lawn / Building Environmental Sustainable Turf -BEST Lawns Programs

For more information on these low cost research based program for lawn education, contact: bestlawns@pwcgov.org or call 703792-4037.

Stormwater Management Education Site Visits

For businesses and non-profits, landscaping and turf management, stormwater pond management, wildlife concerns, recommendations for maintaining landscapes, protecting water quality and pollution prevention. Call 703-792-6285 to schedule a free visit.

Become a Virginia Master Naturalist

The Master Naturalists are a core of volunteers that perform service to manage and protect natural areas through activities such as plant and animal surveys, stream monitoring, trail rehabilitation, and teaching in nature centers. The basic training courses trains new volunteers to become Master Naturalist. Topics covered include ecology, geology, soils, native flora and fauna, habitat management and more.

How can you help Prince William County have good water quality?

***Volunteer** for the Save Our Streams Citizen Science program.

***Adopt a stream** of your choice or work with existing sites

* **Monitor** only 3 times a year - spring, summer and fall.

* **Get monitoring equipment** once you become certified.

* **Track your volunteer hours** working for the District.

***Volunteer** in the District's **Stream Cleanup programs**.

>>*Volunteer timesheet is available. Ask your monitoring coordinators*<<

<*Water quality monitoring also counts towards Virginia Master Naturalists service hours*>
