

Regions of Virginia  
Target Grade: 4th

Students will learn the different regions of Virginia displayed on a large canvas map. The students will label the map and determine the agricultural products and major industries of each region.

Format & Requirements

- Floor space is needed for a 6 X 10 foot canvas map. (The map can also be hung on a wall.)
- Regions of Virginia can be checked out as a conservation capsule.

Activities & Resources

- Conservation Capsule format includes Teacher Resource Notebooks with lesson plans and background information.
- All necessary elements will be included for the activity.

Standards of Learning

VS.2 The student will demonstrate knowledge of the physical geography and native peoples, past and present, of Virginia by

- a) locating Virginia and its bordering states on maps of the United States;
- b) locating and describing Virginia's Coastal Plain (Tidewater), Piedmont, Blue Ridge Mountains, Valley and Ridge, and Appalachian Plateau;
- c) locating and identifying water features important to the early history of Virginia (Atlantic Ocean, Chesapeake Bay, James River, York River, Potomac River, Rappahannock River, Lake Drummond and the Dismal Swamp).
